## Sara Gilbert

Sara Gilbert is a Professional member of the Tarot Guild of Australia based in Frankston. She is also a member of the Association of Professional Astrologers and holds the Practitioners Diploma in Astrology from the Federation of Australian Astrologers. Sara has been practicing and teaching Palmistry since completing a certificate course at Visionary Spiritual College in 2006. In the course of conducting hundreds of Palmistry readings during this time, she has added much of her own intuitive knowledge to the basis she started out with. Sara includes the hands of famous people, along with those of the students, to bring greater depth to the training experience.

Sara regularly reads at festivals and corporate events. She teaches and consults across many modalities such as Palmistry, Numerology, Chinese Astrology, Tarot & the Kabbalah Tree of Life, as well as Western Astrology.

Sara is passionate about the use of myth and colour in her materials, liking to appeal to as many of the senses as possible to get her meanings through. She also offers tuition by correspondence and on-line to spread her knowledge to a wider audience.

Palmistry is such a wonderful ice breaker for introducing spiritual abilities. When you say you work with tarot or astrology, many people are wary or sceptical. But mention that you read palms and you are instantly inundated with hands! I learned the art by accident and was amazed at the depth brought by adding it to my divinatory tool box. For those who "feel", it has the added advantage of the insight gained through holding a hand.
