

Kingdom Workshop

The scariest path on the “tree” is the one leaving behind the “here and now” our secure material reality.

Its like Frodo and his friends from “Lord of the Rings” setting off on their journey from their safe Hobbit burrow in the “Shire” into the unknown of Mount Doom to destroy the ring. Come and start your journey from a sound base up into the astral realms and higher knowledge. Learn why “being in the now” is so important to achieving spiritual enlightenment!

PLEASE NOTE: To be eligible to attend this workshop you must have completed Sara’s “Tarot on the Tree of Life” w/shop previously
