Sara holds a Certificate from Visionary Spiritual College in Palmistry and Numerology. She finds Palmistry incredibly fascinating due to the different points of view that have sprung up from the interpretations of the many ancient centres of Palmistry who kept their knowledge secret within their schools. She has obtained a far deeper understanding over the years from continued practice, digging into her growing Palmistry library and extensive internet research. In addition to working out of Mystical Dragon, Sara conducts Palmistry readings regularly at Mind Body Spirit and other festivals and expos. As Mystical Dragon's Astrologer, Palmist and Numerologist, she integrates these insights with her love and knowledge of Tarot, Kabbalah, Mythology, Creative Arts, Crystals, Energy Healing & Chinese Astrology.

*Sara says "I have developed a special interest in dermatoglyphics, the study of the ridges in the skin on our hands and in particular on our fingertips. Detectives and police licensing agencies have been using this technique for identification purposes for many years. Extensive research by Palmists has shown that it has a much deeper purpose in uncovering what our purpose is here on earth in this lifetime, what skills and experience we are likely to develop and what areas of our life and personality hold critical lessons for us!"*
