Palmistry is such a wonderful ice breaker for introducing spiritual abilities. When you say you work with tarot or astrology, many people are wary or sceptical. But mention that you read palms and you are instantly inundated with hands! I learned the art by accident and was amazed at the depth brought by adding it to my divinatory tool box. For those who "feel", it has the added advantage of the insight gained through the connection in holding a hand.

ABOUT THE TEACHER: Sara Gilbert

I work with a full range of modalities (Tarot, Numerology, Palmistry, Chinese & Western Astrology), integrating in aspects of my love for Colour, Chakras, Crystals, Mythology & the Kabbalah/Tree of Life.

I am a Professional Member of the Tarot Guild of Australia and hold a Diploma in Astrology from the Federation of Australian Astrologers. I regularly read at Mind Body Spirit, as well as at Mystical Dragon and other expos and festivals.

Student Feedback:

Fantastic course Sara. Thank you so much. There is still so much I have to learn and look forward to building my knowledge and skill. Thank you xoxo "Andrea"

Sara provided a great introduction to palmistry with excellent notes and lots of practical examples. I am keen to go on learning more in the future "Barbara"

The palm reading course was very practical yet opened up a whole new world for me. The background provided created a great basis and the examples of hands from well known people cemented the knowledge "Judy"
