

Tarot on the Tree of Life Workshop

The Tree of Life is so all encompassing it contains the seeds of every self-development tool you may come across and melds them together into a journey over all of our Soul's Lifetimes. In addition it not only happens to integrate neatly with the Tarot, but also with the Stars, our Bodies with their Energetic Chakra system and the vibration of Numbers.

Take a journey into Tarot and the Kabbalah and see just how life-changing it can be!

PLEASE NOTE: This course is a pre-requisite to attend any of the series of workshops on the Kabbalah Tree of Life to be held across the remainder of 2010.

Workshop Outline

Take your Tarot to another level!

TOPICS COVERED:

- Basic understanding of the Kabbalah, the Tree of Life and their integration with the Rider Waite Major Arcana
- Deeper knowledge of the Tarot symbolism including linkages to the Hebrew alphabet
- Your current and past life Kabbalah 'paths' with their associated Major Arcana cards
- New spreads to practice with

Sara has been a Professional Member of the Tarot Guild of Australia for over 3 years. She has deepened her knowledge much further by undertaking 3 years of study into Advanced Kabbalah with Evelynne Joffe. Sara has had several articles published in 'The Magician' & 'Spheres' on Tarot/Kabbalah related subjects. She has been running a conceptual course in Tarot for several years.

In addition to teaching reading at Mystical Dragon, Sara conducts Palmistry readings regularly at Mind Body Spirit and other festivals and expos. She is Mystical Dragon's Astrologer, Palmist & Numerologist and integrates these insights with her love & knowledge of Tarot, Kabbalah, Mythology, Energy Healing & Chinese Astrology.

Sara says: *"I wish I knew how to decipher all the symbols on my cards is a common lament amongst tarot devotees. I found that developing an understanding of the Tree of Life gave me a far deeper understanding of the Tarot, its history, its symbols and its mysteries. Come and let me share this with you and have fun trying out some new spreads!"*
