Sara Gilbert

Sara Gilbert is a Professional Member of the Tarot Guild of Australia who practices through her business Life Spirit Connections in Carrum Downs near Frankston. She is also a member of the Association of Professional Astrologers and holds the Practitioners Diploma in Astrology from the Federation of Australian Astrologers. She has a special interest in Evolutionary Astrology and holds Level 2 Apprentice status with Steven Forrest in this field, which focuses on the Moon's Nodes and Past Lives.

Sara decodes the unique emotional patterns in your life, enabling you to become at home inside yourself and find your special place in the world. She is able to draw on wisdom from multi-faceted knowledge of esoteric systems: astrology, tarot, myth, goddess energy, the tree of life, numerology, palmistry and hand analysis. This enables a richer understanding, as each tool reinforces your life design through a slightly different lens. Sara can work with you through private consultation or a series of courses and workshops. She regularly reads at festivals, parties, ladies nights & corporate events, working in most states throughout Australia.

Tarot works with an undeniable degree of accuracy. The querant shuffling the cards transfer's their energy to ensure the right cards are selected to direct them to the right path. The reader always receives the right messages despite there being many meanings for every card. It isn't fortune telling or fate and destiny, it's a translation of the energy around the querant, a guide to the most empowering way they can use their free will to serve their life experience, at that point of time.

This course will provide you with the knowledge & practical experience needed to read the Tarot professionally or for spiritual development.

Testimonials from previous Students:

"Sara' is a very knowledgeable & competent tarot teacher, her complete summary of each card, including colour pictures, should be turned into a book virtually as is. Thanks for a very interesting course." Ian

"The amount of effort Sara has put into designing" this course is absolutely commendable. It feels like she has taught the course from the bottom of her heart.
