Sara Gilbert

Sara Gilbert is a Professional member of the Tarot Guild of Australia who practices through her business Life Spirit Connections in Carrum Downs near Frankston. She is also a member of the Association of Professional Astrologers and holds the Practitioners Diploma in Astrology from the Federation of Australian Astrologers. She has a special interest in Evolutionary Astrology and holds Level 2 Apprentice status with Steven Forrest in this field, which focuses on the Moon's Nodes and Past Lives.

Sara has studied the Kabbalah Tree of Life for 4 years with Evelynne Joffe from the Institute of Spiritual Studies.

Sara decodes the unique emotional patterns in your life, enabling you to become at home inside yourself and find your special place in the world. She is able to draw on wisdom from multi-faceted knowledge of esoteric systems: astrology, tarot, myth, goddess energy, the tree of life, numerology, palmistry and hand analysis. This enables a richer understanding, as each tool reinforces your life design through a slightly different lens. Sara can work with you through private consultation or a series of courses and workshops. She regularly reads at festivals, parties, ladies nights & corporate events, working in most states throughout Australia.

These workshops will provide you with additional depth of knowledge to incorporate with your tarot wisdom, as well as facilitate understanding of your own life journey.

The monthly sessions will utilize many mediums including meditation, art, tarot spreads and imagery as well as comprehensive notes to interpret the journey we experience as we slowly travel up the Tree from material reality in Malkuth towards oneness with the source, in Kether at its "Crown"

The Kabbalah Tree of Life

The Tree of Life is the primary symbol of the Kabbalah (Qabalah) mystical system and as such is a model for transition and self-development, not a religion.

There are 10 centres of energy, called Sephirot on the tree which link to the numbered suits of cards in the Tarot. These Sephirot are joined by 22 energy paths corresponding to the 22 Major Arcana Tarot cards and the 22 letters of the Hebrew alphabet.

The Hermetic Order of the Golden Dawn formed in the late 1880's, was responsible for collating, focusing and expanding on existing Western esoteric traditions to formalise this system including linkages between the Tree of Life, the Tarot, the Hebrew letters, the human body and astrology. Many Tarot Decks contain symbols representing the astrology and/or letters associated with the cards. However some artists or designers of decks have taken it on themselves to "redesign" the paths, so care should be taken in following the symbols until they have been proven.

At the end of each workshop students will have an understanding of linkages between the path on the Tree of Life, its Hebrew letter and the associated Major Arcana Card

Ways to incorporate the energies required to walk the path in daily life will be discussed

Notes will be provided covering the concepts introduced and the Tarot spreads which are used in the workshop

Students should bring a Rider Waite Tarot Deck with them to the workshop
