## Sara Gilbert

Sara Gilbert is a member of the Association of Professional Astrologers and holds the Practitioners Diploma in Astrology from the Federation of Australian Astrologers. She has a special interest in Evolutionary Astrology and holds Level 2 Apprentice status with Steven Forrest in this field, which focuses on the Moon's Nodes and Past Lives. She has extensively researched the impact of a set of 50 asteroids associated with mythological archetypes, that support people working with their intuitive abilities as opposed to their more rational side. Sara consults in Astrology through her business Life Spirit Connections in Carrum Downs near Frankston.

Sara decodes the unique emotional patterns in your life, enabling you to become at home inside yourself and find your special place in the world. She is able to draw on wisdom from multi-faceted knowledge of esoteric systems: astrology, tarot, myth, goddess energy, the tree of life, numerology, palmistry and hand analysis. This enables a richer understanding, as each tool reinforces your life design through a slightly different lens. Sara can work with you through private consultation or a series of courses and workshops. She regularly reads at festivals, parties, ladies nights & corporate events, working in most states throughout Australia.

Students are requested to respect the confidentiality of their fellow students at all times

What is disclosed in class, stays in class!

The course provides each student with a comprehensive folder of color notes

Homework is provided each week and students are encouraged to participate in this as much as possible, as it greatly enhances the level of understanding they will obtain in the material

### **Course Context**

Basics of Astrology is the first year of a three year course designed to cover the syllabus of the Federation of Australian Astrologers (FAA) examination process for their Practitioners Diploma. More information can be obtained at:

<http://www.faainc.org.au/Exams/exam.htm>

At the end of Year One, students will have the understanding of astrology required to interpret a Natal Chart, at a basic level.

Year Two expands this knowledge to cover the interpretation of planetary cycles, transits, progressions and directions on the Natal chart on an ongoing basis.

Year Three deals with different areas in astrology and some of the more advanced techniques that can be employed.
